Reincarnation: The Story of Our Souls
with John Van Auken

Using the Edgar Cayce readings, Van Auken will explain how our souls journey through earth incarnations and planetary sojourns and how those lifetimes influence us today. You'll learn how karma, grace, soul memory, soul groups, and soul mates affect our current lives and how the whole process of incarnating, dying, and reincarnating occurs.

Drawing upon examples from the amazing Akashic readings of Edgar Cayce, you'll learn how your current life is affected by your soul's past lives, and how to recall these memories and resolve any negative influence while enhancing your good karma and grace.

And finally, you'll learn how to put an end to the reincarnation cycle by awakening to your truer awareness and nature

Since this video is only 65 minutes, there will be a surprise 2nd short video also.

Please bring a luncheon dish to share. Those of you who don't cook, can bring rolls, condiments or visit your favorite deli. We will have fun sharing together both our food and conversation.
